Nail technology is an exciting and rewarding profession. Each year professional nail technicians perform more than \$6 billion worth of manicuring, pedicuring, and artificial nail services for millions of fashion-conscious clients. The business of nails has grown enormously over the past five years and will continue to grow. Thus, the need for educated and competent nail technicians is expanding in the same way. Milady's Standard: Nail Technology is the complete guide to basic nail technology that every professional nail technician needs. - Preface.

The Theory Workbook contains chapter-by-chapter exercises on theory subjects. Included are fill-in-the-blank exercises and illustration labeling exercises. Each workbook chapter begins with a study tip and ends with a list of vocabulary words from the corresponding chapter.

Updated for use with the new Milady's Standard Professional Barbering text, this new course management guide includes the lesson plans as well as transitioning tools, workbook answers, transparencies, activities and glossary.

Aging Skin, part of Milady's Aesthetician Series, delves into one of the most popular areas of client concern today. This practical guide offers advice on a range of topics including the science and treatment of aging skin as well as how to address the lifestyle factors which affect it. The text includes case studies which will lead the learner through real-life situations and provide clear and simple guidelines for creating an effective treatment plan for clients that aims at both reducing the effects of aging through aesthetic treatments as well as through appropriate home care. The reader will know how to create a healthy aging plan as well as understand the basics of cosmetic chemistry and organic skin care applied to aging skin, leading to a higher level of service for future clients. Milady has evolved for over 85 years to become what it is today, the cornerstone of beauty and wellness education. We are very excited and proud to announce the latest edition of Milady Standard Cosmetology, the most commonly used resource in cosmetology education. For decades since our first textbook published, it has been our commitment to provide students with the foundation in the principles and skills needed to master the science and art of cosmetology, and with this latest version that commitment has not waived. For the new edition, celebrity stylist Ted Gibson served as Creative Director on the project. The result is a brilliant new design with over 750 new photos and a gorgeous layout, providing a visually stunning resource to engage today's learner. We also recruited a team of twelve authors, made up of top professionals and educators in the industry, to provide the most current information on concepts and techniques. During our extensive peer review and development process, we were asked for a resource that placed emphasis on essential content needed for licensure success, and we feel confident that we delivered. Milady Standard Cosmetology will continue to be a source of education that students can count on, not only while in school, but throughout their careers.
