Alfa Romeo 166 - Alfa-Service

The Alfa Romeo 166 is an executive car
 produced by the Italian automaker Alfa
 Romeo between 1998 and 2007. The
 166 was the replacement for the Alfa
 Romeo 164, and although the 164 had
 styling which was far from orthodox, the
 166 with its drooping headlamps and
 pointed nose still raised many eyebrows.
 The styling was very much in keeping
 with Alfa's corporate style of the time,
 which had begun with the smaller 156
 model.

Alfa Romeo 166 Parts - Alfa Workshop

In order to keep the design fresh, Alfa Romeo made a series of modifications to the Lancia Kappa based underpinnings, radically changing the suspension set up, and also taking a clean paper approach to the interior. The 166 served as the replacement for the 164. The model was available from the end of 1998.
