VJTQJD - DAUGHERTY CAMILA

Want to explain your faith to your family? You can using these brief readings that simply explain key Christian beliefs. Designed for family devotions, three times a week.

"Shares the story of Leonard the Lion--admired by all other animals as King of the Jungle--who wears a red cape and uses his power and status to make a positive impact on those around him. The fun, colorful book is sprinkled with magic and mystery"--

This volume in the new Big Theology for Little Hearts series, a board book series for toddlers that presents broad theological principles in simple, easy-to-understand terms, helps children understand who Jesus Christ is and what he did for us on the cross. How to raise a godly man in a godless world Perhaps there has

never been a more challenging time to raise children than in today's culture. Parents are having to address challenges that their parents never had to with them. And while the core elements to raising children are the same, parents need wisdom for applying them to this day and age. That's what this book is about: navigating the times and raising a generation of men on godly principles—sons who are ready, able, and motivated to represent God during their days of sojourning on this earth. Pastor and author Mike Fabarez will help parents pass the faith on to their sons, in prayer that the promises of God extend to the third and fourth generations... and beyond. Parents will be equipped to: Envision their son's future every day Set his spiritual trajectory Build a home that grows godly men Address the rebellion in their son's

heart Prepare him to face the world and contribute to it Help their son toward a right view of play and leisure Navigate the teenage years There is an epidemic of grown men with the maturity of young boys. Be a parent who saves your child from prolonged adolescence. Scripture says, "The father of the righteous will greatly rejoice; he who fathers a wise son will be glad in him" (Prov. 23:24). Children are a gift from the Lord. Read *Raising Men, Not Boys* to steward the gift of parenting and shepherd your sons to be men of God.

This volume in the new Big Theology for Little Hearts series, a board book series for toddlers that presents broad theological principles in simple, easy-to-understand terms, teaches children about the person and work of Jesus Christ.

Freddy is torn between her need for a normal adolescent dating life and the responsibility she has always felt for her mentally challenged Uncle Joey. When Joey is accused of the murder of a local 6 year old girl, Freddy works to clear his name. But can she accomplish this without alienating the man she loves? A real page-turner; you will be riveted to the mystery as well as the circuitous paths Freddy's love life takes on her way to maturity. An excellent choice for a book club!

This handbook assists Sunday school teachers and parents to teach Bible stories in such a way that the authoritative teaching of Scripture shines forth. Each of the 175 lessons includes story focus and application, historical background, interpretational issues, and more.

I intend to leave this book my to children and grandchildren. I hope it is received in the same spirit that I give it. I love every

one of them with all my heart. They are all precious individuals, and I am very proud of each one. May God bless them. Times have changed. I miss the 1940's when things were simple. Today kids are smarter than we were. They are on strange electronic games that I do not understand. I suspect they are addictive and perhaps even harmful, depending on content. The temptations today are many times more problematic than when I grew up. These young people are high-tech, intelligent, and far ahead of me at their age. They are all very smart and are, or will be, well educated. They show signs of becoming very successful in this world. However, my concerns are related to the spiritual side of life and reality. What about life hereafter? Have I prepared them for the next life? I fear I have failed in that regard and I write in order to leave them something about God's word that may take up the slack in things where I have failed. I want to be sure that my kids and grandkids become believing, studious Christians as adults. If there is an afterlife, and I believe there is, it must be of great importance for all so, get ready, I believe we will all have an afterlife. We, in America, are fortunate in that we have freedom of religion and there are churches on every corner teaching the basic principles of our Lord and Savior. My Dad raised me on the bible and denominational doctrine because that's what he knew. He gave me a good start but I have discovered that there is much more to learn than denominational tradition. I believe an open mind is absolutely necessary and denominational training is a closed down system loyal to only one view. I want my children to study God's word. Unfortunately, many churches and church people do not study, but accept a particular traditional doctrine that has been handed down to them. I am now in my late seventies. I

am not an academic and hold no degrees in theology. One might say I have a degree in hard knocks, experience, big mistakes, and corrections. I hope that my years of study and faith are enough. After years of doubting, study, research, and prayer I have come to believe that the bible is the most valuable word of wisdom on earth, The Most Treasured of All books on the planet. Very intelligent men and women have tried to disprove the bible but the more they attack, the better the old book looks. It is still the world's best seller. I believe we can base our whole life in this world and the life hereafter on the bible. I intend to convince my children and grandchildren of that, and I pray they read what I have left them.

Offers a collection of Bible stories from the Old and New Testaments, discussing some of the lessons that can be learned from each one.

"The Faithful Parent" gives many practical, biblically based suggestions and promises that the most important relationship in any family is vertical between parents and God. Christian parents' faithfulness glorifies God and has the biggest impact on their children. (Practical Life)

Twelve evangelical scholars offer a comprehensive defense of the eternal submission of the Son and the Spirit to the Father, exploring the issue from exegetical, theological, historical, and pastoral perspectives.

"A shepherding the heart resource"---Cover.

Encourages and enables parents of children 6-14 years of age to teach through the whole of systematic theology in an understandable, chapter-a-day format.

Seldom does a book come along that speaks to the core issues of life with such clarity and wisdom. This profound book is deeply informed by the spiritual traditions of the West, the Far East, and the Native Americans, with whom the author has worked. It is a small treasure of wisdom about life's deepest issues. From the Book . . . ON EDUCATION & LEARNING The true measure of your education is not what you know, but how you share what you know with others. ON MONEY People who measure their money against their desires will never be happy, because there will always be another desire waiting to lure them. People who measure their money against their needs can gain control over their lives by gaining control over their needs. ON LOVE Love has its own time, its own season, and its own reasons for coming and going. You cannot bribe it or coerce it or reason it into staying. If it chooses to leave your heart or the heart of your lover, there is nothing you can do and nothing you should do. Be glad that it came to live for a moment in your life. If you keep your heart open, it will surely come again.

Questions! Questions! Questions! Children are full of them. Where did I come from? What is God like? Is there only one God? The Big Book of Questions and Answers is a family guide to the Christian Faith. It contains a wealth of activities, prayers, and Bible references. These interactive resources will bring families closer together as they learn about the Christian faith.

Presents brief and illustrated Bible stories, taken from the Old and New Testaments.

Thea Quinn has no idea what she is. All she knows is that her abilities have been a plague upon her life since she was a child. After

years of suffering at the hands of a megalomaniac, Thea escaped and has been on the run ever since. The leadership and protection of his pack are of the utmost importance to Conall MacLennan, Alpha and Chief of Clan MacLennan, the last werewolf pack in Scotland. Which is why watching his sister slowly die of a lycanthropic disease is emotional torture. When Conall is approached by a businessman who offers a cure for his sister in exchange for the use of Conall's rare tracking ability, Conall forges an unbreakable contract with him. He has to find and retrieve the key to the cure: dangerous murderer, Thea Quinn. Thea's attempts to evade the ruthless werewolf are not only thwarted by the Alpha, but by outside dangers. With no choice but to rely on one another for survival, truths are revealed, intensifying a passionate connection they both fight to resist. At war with themselves and each other, Conall and Thea's journey to Scotland forces them to face a heartrending choice between love and betrayal.

Winner of the 2014 Christian Book of the Year Award "I'M TOO BUSY!" We've all heard it. We've all said it. All too often, busyness gets the best of us. Just one look at our jam-packed schedules tells us how hard it can be to strike a well-reasoned balance between doing nothing and doing it all. That's why award-winning author and pastor Kevin DeYoung addresses the busyness problem head on in his newest book, *Crazy Busy* — and not with the typical arsenal of time management tips, but rather with the biblical tools we need to get to the source of the issue and pull the problem out by the roots. Highly practical and super short, *Crazy Busy* will help you put an end to "busyness as usual."

"Introduces the person of the Holy Spirit"--

So many of us desire freedom - the freedom that is promised to

us when we decide to follow Jesus. The freedom from the burden of our sin, the need to be "good enough," anger, jealousy, and envy. Even though we are believers we would be ashamed to say that we don't always experience peace, contentment, and joy in our life. We are looking for the grace that God has so graciously given to us to be real in our life... *Breaking Pride* is an eBook based on one simple truth: In order to walk in God's grace we need to tear down the the walls of pride. A lot of believers, even though saved by God's grace, are still walking in pride rather than walking in His grace. Knowing what pride is and learning to identify pride in your life is the first step to overcoming a life filled with pride. Pride is rooted in fear and leads to anger, jealousy, and envy. Sin isn't keeping us from having a relationship with the Lord, it's our pride. So many of us long to have an authentic and REAL relationship with the Lord, and we long to have the fruit of the spirit filled in our heart. Our desire is to achieve these fruits through will power. But we do not even realize that the pride that lives within our heart is what is blocking the fruit of the spirit from living within us. In *Breaking Pride* you will learn to identify different areas of pride in your life. Filled with encouragement, *Breaking Pride* will take you through a practical reading of what pride may look like in your life... Let's stop building walls of pride and start building the foundation of grace within our lives...

The first volume in the new Big Theology for Little Hearts series, a board book series for toddlers that presents broad theological principles in simple, easy-to-understand terms, introduces who God is and how to follow him.

In this transformative resource for youth workers, children's min-

istry teachers, parents, and VBS volunteers, Jack Klumpenower teaches how to discover the gospel connections in every Bible story. Show Them Jesus is an instruction manual for teachers of kids and teens written by a lay Bible teacher with thirty years of experience. With a simple framework and real-life examples, Jack helps teachers identify and communicate the heart of the gospel to each child in each lesson. Show Them Jesus challenges the culture of low-stakes, low-expectations teaching and invites teachers to do nothing less than teach and treasure the good news of Jesus—in every lesson. Instead of leaving kids with lessons about changing their behavior, Show Them Jesus offers a new way by sweetly, masterfully, and powerfully showing kids how the gospel really applies to their lives and changes them for eternity. In sharing example after example from his years of experience, Jack provides readers with a more enriched view of Jesus and how to teach this gospel perspective in a classroom setting. This life-changing tool will complement and enrich existing lessons or teaching materials, and it's appropriate for teachers of children and teens in any setting. Millions of church kids are growing up and deciding to leave the church. If we are not primarily teaching our kids about God's love for us in Christ, we may miss our opportunity to capture their hearts. Don't miss your opportunity to show them Jesus.

Presents alphabetically arranged entries from A to Z on such virtues as forgiveness, kindness, and unselfishness, with advice for children on how to live as Christians.

Though in all things God's Word is the final authority, our Christian tradition, as inherited from centuries of careful reflection and endeavoring to be true to the teaching of Scripture, can greatly

enlighten us. Nowhere is this blend of respectful listening to the wisdom of the past and faithfulness to the Bible more necessary than in our contemporary reformulations of the doctrine of God's person. Bruce Ware believes that while tradition's emphasis on God's metaphysical perfection and His supremacy over the world is correct, we must refine our understanding of the way in which He relates to us. While retaining the deepest concerns of the historic tradition, Ware offers a more rational view of God's dealings with His children—a view that is reflected in Scripture's own testimony of Him. Ware then applies this concept of real divine exaltation and real divine-human relationship to the areas of our prayer life, confidence in God and His guidance of us.

You only get to raise your children once and your little ones need to know the big truths of God - Christ, sin, salvation and the gospel. Sing and Play Big Bible Truths is the perfect tool to introduce babies and toddlers to the Bible truths they need to learn now and for later on in life. Bethany Darwin uses the tools of repetition, familiarity and interactive activities to build crucial theological foundations. Features include: Big Truth Song - a toddler friendly big truth lyric set to a familiar nursery rhyme tune accompanied by motion Hear and Learn - a simple story Play and Learn - a quick game or activity Memorize and Learn - a short bible verse with hand motions Eat and Learn - a themed snack

From Colleen Hoover, the #1 New York Times bestselling author of It Ends With Us, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends.

The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.

Through rhyme and engaging illustrations this book shows parents and children what God's plans are for worshipping him in their home.

150 questions and answers based on the Westminster Shorter Catechism. Children's catechism for ages 2 to 12.

Offers lessons to help parents teach their children the basic truths of the Christian faith

A practical resource for parents offers age-appropriate milestones for raising children to love and live in God from the toddler through the teen years, identifying specific techniques for establishing a sound spiritual base for young people. Original. \$10,000 ad/promo.

Bizarre military history: In 1979, a crack commando unit was established by the most gifted minds within the U.S. Army. Defying all known laws of physics and accepted military practice, they believed that a soldier could adopt the cloak of invisibility, pass cleanly through walls, and—perhaps most chillingly—kill goats just by staring at them. They were the First Earth Battalion, en-

trusted with defending America from all known adversaries. And they really weren't joking. What's more, they're back—and they're fighting the War on Terror. An uproarious exploration of American military paranoia: With investigations ranging from the mysterious "Goat Lab," to Uri Geller's covert psychic work with the CIA, to the increasingly bizarre role played by a succession of U.S. presidents, this might just be the funniest, most unsettling book you will ever read—if only because it is all true and is still happening today.

I am an ordinary woman, who lives an ordinary life, in which something extraordinary happened. My story is one of wrong choices, painful loss, redemption, and a new spiritual awakening to live once again. I have decided to share my story in hopes it will give other women a voice that have endured child loss and found healing in its journey.

In this instant and tenacious New York Times bestseller, Nike founder and board chairman Phil Knight "offers a rare and revealing look at the notoriously media-shy man behind the swoosh" (Booklist, starred review), illuminating his company's early days as an intrepid start-up and its evolution into one of the world's most iconic, game-changing, and profitable brands. Bill Gates named *Shoe Dog* one of his five favorite books of 2016 and called it "an amazing tale, a refreshingly honest reminder of what the path to business success really looks like. It's a messy, perilous, and chaotic journey, riddled with mistakes, endless struggles, and sacrifice. Phil Knight opens up in ways few CEOs are willing to do." Fresh out of business school, Phil Knight borrowed fifty dollars from his father and launched a company with one simple mission:

import high-quality, low-cost running shoes from Japan. Selling the shoes from the trunk of his car in 1963, Knight grossed eight thousand dollars that first year. Today, Nike's annual sales top \$30 billion. In this age of start-ups, Knight's Nike is the gold standard, and its swoosh is one of the few icons instantly recognized in every corner of the world. But Knight, the man behind the swoosh, has always been a mystery. In *Shoe Dog*, he tells his story at last. At twenty-four, Knight decides that rather than work for a big corporation, he will create something all his own, new, dynamic, different. He details the many risks he encountered, the crushing setbacks, the ruthless competitors and hostile bankers—as well as his many thrilling triumphs. Above all, he recalls the relationships that formed the heart and soul of Nike, with his former track coach, the irascible and charismatic Bill Bowerman, and with his first employees, a ragtag group of misfits and savants who quickly became a band of swoosh-crazed brothers. Together, harnessing the electrifying power of a bold vision and a shared belief in the transformative power of sports, they created a brand—and a culture—that changed everything.

Women crave heartfelt connections, but participating in meaningful communities can be difficult for those who have been hurt. The thoughts or expectations of others, along with their own concerns of value and worth, drive women to adopt a false voice—a “life-is-just-fine” mask, living a life on the outside that is deeply divorced from their innermost truth. The gentle, insightful, and conversational style of “When a Woman Finds Her Voice” draws out the reader's own story, while dressing any tender wounds with timeless truths and the bountiful hope that God is masterful at using pain for good. Through real-life stories and insightful Bible

teachings, readers learn to overcome life's hurts. They learn how to freely use their voice to make a difference in the world.

Supplies two needs: (1) profitable, useable material for family devotions and (2) a practical guide for parents helping their children learn the catechism.

Every day we make predictions based on limited information, in business and at home. Will this company's stock performance continue? Will the job candidate I just interviewed be a good employee? What kind of adult will my child grow up to be? We tend to dismiss our predictive minds as prone to bias and mistakes, but in *The Tell*, psychologist Matthew Hertenstein reveals that our intuition is surprisingly good at using small clues to make big predictions, and shows how we can make better decisions by homing in on the right details. Just as expert poker players use their opponents' tells to see through their bluffs, Hertenstein shows that we can likewise train ourselves to read physical cues to significantly increase our predictive acumen. By looking for certain clues, we can accurately call everything from election results to the likelihood of marital success, IQ scores to sexual orientation—even from flimsy evidence, such as an old yearbook photo or a silent one-minute video. Moreover, by understanding how people read our body language, we can adjust our own behavior so as to ace our next job interview or tip the dating scales in our favor. Drawing on rigorous research in psychology and brain science, Hertenstein shows us how to hone our powers of observation to increase our predictive capacities. A charming testament to the power of the human mind, *The Tell* will, to paraphrase Sherlock Holmes, show us how to notice what we see.

Many children's teaching programs resemble carnivals instead of productive environments where a child can learn about Jesus Christ. This is often the result of having untrained teachers teaching Sunday school. Experienced Sunday school teacher, Cheryl Dunlop, fills this void by providing a practical teaching manual designed to ensure all those teaching Sunday school are equipped and motivated to do their best for the Lord. *Follow Me as I Follow Christ* explores issues like how to tell a story, methods of effective discipline, and interacting with individual needs of children. Divided into 52 weekly entries, it is designed to be read along with and help in teachers' class preparation.

In the battle between mazes and kids, who will win? Your child might, if he/she has the patience and right strategy to get out of all these mazes. Answering mazes is a fun learning experience that will help improve your child's ability to think of strategies quite fast. Start your child's training with one book of mazes at a

time.

Equips parents to guide their young children through all major doctrines in an understandable, chapter-a-day format. Sure, it's easy to teach your children the essentials of Christian theology when you're a theology professor. But what about the rest of us? With *Big Truths for Young Hearts*, Bruce Ware, (you guessed it!) a theology professor, encourages and enables parents of children 6-14 years of age to teach through the whole of systematic theology at a level their children can understand. Parents can teach their children the great truths of the faith and shape their world-views early, based on these truths. The book covers ten topics of systematic theology, devoting several brief chapters to each subject, making it possible for parents to read one chapter per day with their children. With this non-intimidating format, parents will be emboldened to be their children's primary faith trainers-and perhaps learn a few things themselves along the way.
