Churchill's army: the wartime leader's military track ...

It was, according to Churchill's autobiogra-

phy, his large collection of toy soldiers that led Lord Randolph Churchill to choose a military career for his son when Winston was only fourteen years old. 2 As a schoolboy at Harrow, he was placed in the army class to prepare for the entrance examinations for the Royal Military College Sandhurst. He also actively participated in the Harrow School ...

Churchill was educated at King William's College on the Isle of Man. He graduated from the Royal Military College, Sandhurst in 1926 and served in Burma with the Manchester Regiment. He enjoyed riding a motorbike while in Burma. Churchill left the army in 1936 and worked as a newspaper editor in Nairobi, Kenya, and as a male model.

Churchill fought in wars, studied wars, and commanded soldiers, sailors, and airmen

in wars. But it was more than just his military experience that made him a great war leader. It was his courage, his indomitable will, and his ability to inspire his countrymen to make enormous sacrifices for the sake of victory that sets him apart from all democratic war leaders save Lincoln., New York Journal of Books

Churchill Warrior's author, Brian Lavery, is one of Britain's leading - and most readable - military and naval historians. Churchill was not only the best potential British Prime Minister available in 1940; he was the only credible one. Apart from his energy, oratory and leadership, Churchill had something that none of his rivals could offer: a unique understanding of land, sea and air warfare, derived from his own experience.

Winston Churchill, Britain's iconic wartime prime minister, is inextricably linked with the victorious British Army of 1939 to 1945. Yet, argues Stephen Bull in his new book, hindsight, propaganda and the imperative of the defeat of Hitler and Imperial Japan have led to a tendency to oversimplify the image of Churchill the war leader, and 'his' army...

As I try to show in my recently-published book Churchill Warrior – How a Military Life Guided Winston's Finest Hours, the new Prime Minister had a uniquely wide and deep knowledge of all three armed services and their opponents. Even if the British army had been destroyed, he knew that the Germans would have to defeat the Royal Air Force and then the Royal Navy before they could launch an invasion.
