Deadpool is the super-anti-hero who knows he's in a comic book. His unique situation and blood-stained history give rise

to many philosophical puzzles. A group of philosophical Deadpool fans delve into these puzzles in *Deadpool and Philosophy*. For instance, if you know that someone is writing the script of your life, can you really be a hero? Is Deadpool really Wade Wilson, or did Wilson have his identity stolen by the monster who is now Deadpool? Are his actions predetermined by the writers, or does he trick the writers into scripting his choices? And what happens when Deadpool breaks into the real world to kill the writers? What kind of existence do literary characters have? How can we call him a moral agent for good when he still commits murder left and right and then left again and then right? Since Deadpool gets

paid for his good deeds, can they be truly heroic? And which of the many Deadpool personalities are the real Deadpool? And of course, why does Deadpool love to annoy Wolverine so much? Deadpool challenges us to think outside the box. *Deadpool and Philosophy* shows us the profound implications of this most contradictory and perplexing comic book character. *Collecting Deadpool (2015) #26-27* and material from #21. All the world's a stage, and he's a major player! Forsooth, Deadpool will face a comedy of errors when he gets trapped in the works of William Shakespeare! Whether it turns out to be a midsummer night's dream, or much ado about nothing, it's sure to be Deadpool as you

like it! Fingers crossed that all's well that ends well, so Wade can return to the tragedy that is his regular life in the Marvel Universe!
