"Outstanding success is now within your reach, according to author Merrill Douglass. This book gives you all the powerful, life-changing guidance and direction you need to reach full potential in your personal and professional life. William Whitecloud's 'Secrets Of Natural Success; Five Steps to Unlocking Your Genius' is unlike any self-transformation book you have ever read. Best selling author and Creative Development trainer William Whitecloud dispenses with the usual approaches of fixing, self-manipulation or relying on mystical forces to get ahead in life. Instead, he offers a highly original insight into how your level of creativity determines your level of natural success in life, and a step-by-step guide to unlocking and applying the dormant genius within each of us. With the same natural storytelling style of his best sellers, *The Magician's Way* and *The Last Shaman*, Whitecloud transports you on an astonishing journey through the realms of consciousness responsible for the realities and outcomes you experience in life, and explains how to align yourself with those aspects guaranteed to deliver the end results you prefer. Traversing themes as diverse as the creative nature of consciousness, unconscious belief systems, personality types, perception vs. intuition, imagination, conscious choice and the role of conflict and emotion in creative awareness and follow through, you will acquire a phenomenally thorough and effective model for accessing your latent power and directing it in creating a life beyond belief. Based on a deep appreciation of human nature and potential, the premises within these pages serve as a creative master key, putting other learnings in perspective, and further empowering you with a masterful approach to everything you care about and undertake.

A Door Separates You from Success— Here Is the Key That Opens It. Florence Scovel Shinn, the beloved author of *The Game of Life and How to Play It*, left the world one final, brilliant book written in 1940: *The Secret Door to Success*. In simple, practical terms, Shinn shows you exactly how to remove the barriers that keep you from love, money, purpose, and personal power. Now abridged to its essentials and introduced by PEN Award-winning historian and New Thought writer Mitch Horowitz, this special Condensed Classics edition of *The Secret Door to Success* gives you, in less than one hour, the tools to start living your highest life today.

"From the earliest days of thinking man, people the world over have pondered the nature of the Universe, our planet, and of ourselves. What does it all mean? Why am I here? What is the real purpose of my life? What will happen to me after I die? Will I return once again for another life on Earth?" So starts the first paragraph of this book, summarising and encapsulating very succinctly both the reason I was inspired to write *Our Ultimate Reality* and a concise summary of the contents contained therein. As we approach the end of a great age for humanity, increasingly more people from all walks of what we know as "life" are asking what it all means for them, for their families and for their future existence on this planet we call "Earth." *Our Ultimate Reality, Life, the Universe and Destiny of Mankind* is your complete reference and guide for realising the Divine heritage of each and every one of us as equal aspects of our Creator, a life of perfect happiness, health, abundance, fulfilment and Spiritual evolution. This book has been written in a modern, understandable, non-mystical way, setting out in a concise, logical, easy to follow format, all you need to know in order to understand, pursue and realise your own true potential during this pivotally important era. I wish you every possible success as you follow your own true destiny on the path of return to our Divine Creator from Whom we came in the beginning, and wish that this book will prove to be your valuable guide and companion.

Need motivation? Read on. In this sharp, invigorating read, Fortune 50 consultant Stephen Harvill discovers twenty-one common behaviors of top earners across seven major industries that set them apart. These are the secrets of the world's best salespeople who rake in at least one million dollars a year. For over thirty years, Steve Harvill has helped successful sales teams do what they do better, smarter, more elegantly, and more imaginatively. As a consultant for some of the top companies in the world, including Apple, Pepsi, Samsung, and Wells Fargo, he aids in simplifying processes that have become unwieldy and making teams more effective. His work inspired him to ask the question: What exactly sets the top producers apart from their peers? After spending a year interviewing 175 sales superstars from seven different industries, he found twenty-one distinct behaviors of successful salespeople. Organized by these best practices and filled with hundreds more tips, stories, and takeaways, *21 Secrets of Million-Dollar Sellers* reveals how you can improve in every aspect of your job and rise to become one of the best.

The perfect gift for budding entrepreneurs, professionals, and students, this is a fun, inspiring ride along the road to success. The author interviewed 500 greats, including Bill Gates, the Google founders, and Martha Stewart, and shares a wealth of wisdom anyone can apply towards his or her own success.

Your hard work is paying off. You are doing well in your field. But there is something standing between you and the next level of achievement. That something may just be one of your own annoying habits. Perhaps one small flaw - a behaviour you barely even recognise - is the only thing that's keeping you from where you want to be. It may be that the very characteristic that you believe got you where you are - like the drive to win at all costs - is what's holding you back. As this book explains, people often do well in spite of certain habits rather than because of them - and need a "to stop" list rather than one listing what "to do". Marshall Goldsmith's expertise is in helping global leaders overcome their unconscious annoying habits and become more successful. His one-on-one coaching comes with a six-figure price tag - but in this book you get his great advice for much less. Recently named as one of the world's five most-respected executive coaches by Forbes, he has worked with over 100 major CEOs and their management teams at the world's top businesses. His clients include corporations such as Goldman Sachs, Glaxo SmithKline, Johnson and Johnson and GE.

The amazing story of a man who rose from utter failure to overwhelming success in just a few years-and the simple secrets he used to do it. A failure as a life insurance salesman at the age of twenty-nine, Frank Bettger became in the following years one of America's outstanding successes. Here are his personal experiences and the principles of selling as he applied them, that made him one of the country's greatest salesmen. Here are the 13 principles that enabled Frank Bettger to rise from being an unsuccessful professional baseball player to the point where he was acknowledged to be one of the great salesmen of his day-a sales expert. REVIEWS: "Here it is-the most helpful and inspiring book on salesmanship that I have ever read. It will be helping salesmen whether they are selling insurance, or shoes, or ships, or sealing wax, long after Frank Bettger has passed away." Dale Carnegie "I recommend this book to salesmen of insurance or anything else...it is easy to read, full of practical advice and capable of stiffening the back and the jaw of any man or woman who sets out to heat the world and doesn't quite know how to go about it. There are millions of them." Insurance News

As the authors of the popular book eBay PowerSeller Secrets, Debra and Brad Schepp are experts at making big money selling products on the web. Now, in Amazon Top Seller Secrets, they show readers why Amazon is the marketplace that will bring them more cash and more customers. Sellers will discover everything they need to: • navigate the Amazon marketplace • set the right price for merchandise • drive more traffic to their product pages • achieve consistently high feedback ratings • become an Amazon Pro Merchant • open more than one Amazon WebStore • source the best products • and more With this priceless advice, readers can increase their profits and build their business without constraints and without all the hassles.

Priceless finance advice everyone can relate to from one of the world's most respected businessmen and the most successful investor of all time Of course you know who Warren Buffett is; he's the most successful investor in the world—maybe of all times. But what do you know about his approach to business and investing? It's an approach that, over the past four decades, has made him the richest man in America and the third-richest man in the world, and that has earned vast fortunes for his business partners and investors. But Warren Buffett himself will tell you, at the heart of any wealth-building system there are certain core beliefs, not just about finance, but about business, work, morality, your responsibility to yourself, your family and society, and about living a decent life. Written in conjunction with the hit television series, "Secret Millionaire Club" and with Buffett's input and full support, this book makes Buffett's financial philosophy and homespun life lessons available to everyone outside his "Secret Club." Warren Buffett's goal in spearheading this book was to share lessons about personal finance he has learned and that he hopes will benefit you (and your kids) for a lifetime You'll learn the fundamentals of personal finance by reading Warren Buffett's war stories and personal reflections on money, life, business, ethics and more All of the finance principles covered in the book were personally approved by Warren Buffett as those which he himself fol-

lows Unforgettable Buffett quotes include: "Price is what you pay. Value is what you get"; "Risk comes from not knowing what you're doing"; and "Profit from folly rather than participate in it."

Certain unseen principles control the translation of our desires to reality..follow these principles and success will be yours.

Secrets of the Millionaire Mind reveals the missing link between wanting success and achieving it! Have you ever wondered why some people seem to get rich easily, while others are destined for a life of financial struggle? Is the difference found in their education, intelligence, skills, timing, work habits, contacts, luck, or their choice of jobs, businesses, or investments? The shocking answer is: None of the above! In his groundbreaking Secrets of the Millionaire Mind, T. Harv Eker states: "Give me five minutes, and I can predict your financial future for the rest of your life!" Eker does this by identifying your "money and success blueprint." We all have a personal money blueprint ingrained in our subconscious minds, and it is this blueprint, more than anything, that will determine our financial lives. You can know everything about marketing, sales, negotiations, stocks, real estate, and the world of finance, but if your money blueprint is not set for a high level of success, you will never have a lot of money—and if somehow you do, you will most likely lose it! The good news is that now you can actually reset your money blueprint to create natural and automatic success. Secrets of the Millionaire Mind is two books in one. Part I explains how your money blueprint works. Through Eker's rare combination of street smarts, humor, and heart, you will learn how your childhood influences have shaped your financial destiny. You will also learn how to identify your own money blueprint and "revise" it to not only create success but, more important, to keep and continually grow it. In Part II you will be introduced to seventeen "Wealth Files," which describe exactly how rich people think and act differently than most poor and middle-class people. Each Wealth File includes action steps for you to practice in the real world in order to dramatically increase your income and accumulate wealth. If you are not doing as well financially as you would like, you will have to change your money blueprint. Unfortunately your current money blueprint will tend to stay with you for the rest of your life, unless you identify and revise it, and that's exactly what you will do with the help of this extraordinary book. According to T. Harv Eker, it's simple. If you think like rich people think and do what rich people do, chances are you'll get rich too!

It is a great privilege to write a preface to my father's book. I like to share with you how he had shaped me and helped me reach this position today. One evening, some seven years ago, I received a phone call from the Board of Secondary Education informing me that I secured a State Rank in my intermediate examination. Tears of joy rolled down my cheeks. I am sure you would agree with me that it is one of the best moments in any student's lifetime. Thank s to my father I could accomplish that. Later as we discussed my future plans and career pathways that I should consider after my intermediate, my father suggested me to go for a job with my 'plus two' qualification. I was naturally surprised. I remember his words; "...if you concentrate with your senses, studying for three hours a day is enough to come off in flying colours." I joined as an apprentice in a Chartered Accountancy firm and later in Nagarjuna Power Corporation Ltd as an Industrial Trainee, for a monthly salary of RS. 1,500. Of course it was tough to study and work at the same time, but I enjoyed the challenge. When I left NPC, my salary was around RS. 2,500. In the mean time, using the 'Art of Studying' instilled in me by my father I simultaneously completed in the evening college my B.Com (Hons) and Chartered Accountancy. At this juncture, I came across an advertisement by the World Bank Group. I applied and had to face stiff competition from more than 100 candidates, most of them were from some of the prestigious Management Institutes and other Business Schools with considerable work experience. The American executive, who interviewed me, was very much convinced with my bio-data, and I bagged the job and became one of the youngest analysts in the World Bank Group. My posting was at Delhi, and my salary was Rs. 1 lakh per month and I was 23 then. After working for two years, I was fed up with my routine job and wanted greater challenges and varied international exposure. I wanted to study further. When I informed my intentions to my father he readily encouraged me to take the plunge. There is a quotation in one of my father's novels, "Even if you are a fish, I believe that there is no point in staying in a pond where you don't like the water". I resigned my job and left for INSEAD (France), ranked the World's best non-US Business School to do my M.B.A. with my two years savings, about RS. 15 lakhs. After completion of my post graduation, I joined as a Business planning and Control Executive with 'Michlin' at Singapore and worked for 2 years. It's me who asked my father to write this book to help students whatever be the stream of education they choose. I agree with him that

spending millions of rupees on education is a luxury not every one can afford. When a parent is able to invest a simple ten minutes a day and enthuse the child to do better, as a Chartered Accountant I can assure that it would be the best investment one could ever ask for.

A whole lot of us spend a good part of lives thinking and wondering about ways we can be successful in life; the irony of it all, however, is that; we never figure it out. However, one surprising factor about being successful is that each of the secrets lies within. It is all focusing on the key areas of our life. Yea, that's all that really matters. You see, success is achievable for those who practice the different individualized areas - or factors to success as I prefer to call them. Every one of us loves personal success and would tell you they are ready to learn the keys to success. They tell you these because they all want to lead a happy, healthy life, do profitable tasks, build and enjoy their respective career, as well as be independent financially and mentally as well. But then, the big question is; are they ready to make the difference in the world? Turn out to be significant and have a positive impact on those around us. We want to do something wonderful, but are we ready to pay the ultimate price? Repeatedly, I have discovered that the factors to achieving success are lined up as one as a single piece of information, and idea issued at the right time. Only then can it pose a difference that can change our lives in the correct state. I also have learned that the greatest truths are overly simple. On the off chance that you can follow these tips, you'd notice the tre-

mendous change toward taking absolute control of your life as well as achieve your every of your life's objective(s). Every one of us has one common goal Fortunately for most of us, individualized success doesn't affect from the background, upbringing, intelligence, or capabilities. It doesn't bother our family, friends, or connections that enable us to do unique things. Rather, the factors to achieving success in life are our capability to see the very best out of ourselves for every single conditions and circumstance we find ourselves. It is about our capacity to adapt and subject every single change life throw at us. Having said that, you now know you need to learn. Right there in your hands are well researched, motivational, deep reserves of potential and ability which if you properly harness and channel at the right direction, you'd be able to accomplish great and wonderful things with your life.

"The Laws and Secrets of Success" - recently published and already an Amazon bestseller - has quickly received stellar five star reviews from leading Amazon Hall of Fame Reviewers (among the top 100 reviewers on all of Amazon): "Very, very highly recommend this UNIQUE book, it is the best book regarding how to be successful that I have ever read." -Daisy S., TOP 10 AMAZON HALL OF FAME REVIEWER "The power of his intuitions is infectious." -Grady Harp, TOP 50 AMAZON HALL OF FAME REVIEWER "This is one of those books where you will want to underline something important on each page. This is one of the most important books I have read in 2013." -Rebecca of Amazon, TOP 100 AMAZON HALL OF FAME REVIEWER About this book: This book is written in the style of the great Napoleon Hill. Think about this: With all of the success books out there, why don't we have more successful people? Too many success books simply rehash conventional wisdom. The truly great success books, such as "Napoleon Hill's "Think and Grow Rich", instead enable life-changing success breakthroughs because they identify and describe in powerful detail the thinking patterns and principles of the world's most successful individuals. The only way to do this is to study the world's most successful individuals, as Napoleon Hill has done. And as I have done as well. For over two decades I have devoted myself to studying and interviewing the most successful individuals across varying fields, so that I could see and learn for myself the principles which set them apart in terms of their success. And that is what I share with you here. Get ready to throw out many of the things that you thought you knew about success! Let's start at the beginning with a simple truth. Success is hard. Very hard. Very very very hard. We all know that, once we have had a little bit of experience and are honest with ourselves. We all want to be more successful, but let's face it, sometimes we just don't know how. It's because, as they say, "we don't know what we don't know". So we make the same mistakes over and over again (often without fully realizing it until later). And then we blame ourselves (or others) in regard to why things didn't turn out as we had hoped, or planned. It's this simple: If you want to increase your level of success, read this book. We all go through the same struggles. This book - simply but powerfully - is your instruction manual on how to overcome them. Read this book, and in 60 days you won't even recognize the person you used to be. And neither will your family and friends. This is the type of change that allows you to get the things you really want in life. The things previously outside your reach. The things you saw others gain and achieve, but never seemed to be able to get for yourself. That can change today. . We all know that a few better ideas can accelerate one's success substantially. Successful people take their better ideas and know how to leverage them further - and execute them better - than other people do. Once you understand the processes that successful people utilize to do this, you can very quickly ramp up your own success as well. Everybody struggles. Successful people struggle just like unsuccessful people but they learn and use the success principles to overcome the difficulties in their lives to reach their goals. Success breeds confidence, making it easier over time. If you don't want to keep making the same mistakes over and over and over again, you need to understand and understand well what these success principles are. That is what this book provides to you.
