## 4GHME2 - RODNEY NADIA

WikiProject Freebase exists to coordinate the migration and use of data at Freebase. Freebase was a community curated knowledge base like Wikidata. It was managed by Google who in December 2014 said that they will close Freebase and offer its content to Wikidata. See also the Wikidata Freebase FAQ.. An initial import was attempted in 2015, working through over 10% of the Freebase collection.

### Google's Freebase To Shut Down, Migrate To Wikidata ...

#### Freebase - Wikipedia

#### From Freebase to Wikidata: The Great Migration

Loading Freebase into Wikidata as-is wouldn't meet the Wikidata community's guidelines for citation and sourcing of facts -- while a significant portion of the facts in Freebase came from Wikipedia itself, those facts were attributed to Wikipedia and not the actual original non-Wikipedia sources.

#### Wikidata:WikiProject Freebase - Wikidata

online knowledge base (2007-2016) This page was last edited on 22 September 2020, at 10:56. All structured data from the main, Property, Lexeme, and EntitySchema namespaces is available under the Creative Commons CC0 License; text in the other namespaces is available under the Creative Commons Attribution-ShareAlike License; additional terms may apply.

The two major collaborative knowledge bases are Wikimedia's Wikidata and Google's Freebase. Due to the success of Wikidata, Google decided in 2014 to offer the content of Freebase to the Wikidata community. In this paper, we report on the ongoing transfer efforts and data mapping challenges, and provide an analysis of the effort so far.

A more in-depth comparison between Freebase, Wikidata, and other free and open knowledge bases (DBpedia, YAGO, and OpenCyc) is available in [12] by F arber et al. 2.3 Motivation for the Migration When Google publicly launched Freebase back in 2007, Freebase was thought of as a "Wikipedia for structured data".

Freebase shut down its services completely on August 31, 2016. Only the latest data dump is still available. Wikimedia Deutschland and Google integrate Freebase data into Wikidata via the Primary Sources Tool.<sup>55</sup> Further information about the migration from Freebase to Wikidata is provided in .

#### How can I convert a Freebase query to a Wikidata query?

Freebase to Wikidata Tue 17 February 2015 Google recently announced that it would be closing its Freebase knowledgebase later this year, offering to migrate the data to Wikidata. Like many other startups working with Linked Data, we're a big fan of Freebase, so I'd like to share a few thoughts on the migration and what this means for our users.

#### GitHub - google/freebase-wikidata-converter

The Freebase Wikipedia article provides a good overview of the knowledge base's nearly decade-long lifetime from its beginnings at Metaweb Technologies, Inc. in 2007, its acquisition by Google in 2010, and its eventual shutdown and move to Wikidata towards 2015-2016. Freebase data could be accessed through the Freebase API and the online Query ...

#### From Freebase To Wikidata The Great Migration Google

Freebase was a large collaborative knowledge base consisting of data composed mainly by its community members. It was an online collection of structured data harvested from many sources, including individual, user-submitted wiki contributions. Freebase aimed to create a global resource that allowed people (and machines) to access common information more effectively.

#### Freebase - Wikidata

Google acquired Metaweb back on July 16, 2010, which powered Freebase. Freebase is one of the sources of data Google uses to power their Knowledge Graph. Many SEOs were able to manipulate the knowle
