There is only one thing that can free you from the bondage of a lie,THE TRUTH SHALL SET YOU FREE!!! The truth will set free this generation. This will be the generation of Christians who get the wealth that was laid up for them. God will take pleasure in the prosperity of his children (psalms 35). What if we were wired for happiness? If you were to ask a room full of people about how God wants us to live, you'd likely get a wide range of answers. Some people would say he wants us to be holy. Others might claim he wants us to love people and stand up for peace and justice. But chances are, you wouldn't hear anyone say, "God wants us to be happy." We all want to be happy, but we may feel guilty for this longing. Isn't it selfish to pursue happiness? Isn't it more spiritual to frown than to smile? In a world full of brokenness, is happiness a worthy pursuit? For those seeking to follow Jesus, should this quest be written off as superficial and unspiritual? In Does God Want Us to Be Happy?, New York Times bestselling author Randy Alcorn offers a collection of short, easy readings on one of life's biggest questions. As he explores what happiness is and how we attain it, Alcorn provides wisdom, insight, and scriptural proof that God not only wants us to be happy--he commands it! (Adapted from the trade book Happiness.)

Would you like to have a closer relationship with God? Would you like to have a positive lasting impact on the people around you? Have you ever thought you weren't good enough to be used by God? God wants a relationship with you, and He wants to reach others through you. Many people wander around aimlessly trying to figure out what their big mission in life is when God wants to use them right where they are in the little things. If you will listen and obey in the little things, He will lead you into bigger things. In God Wants You!, Tori Self shares the importance of knowing God and explains, with supporting scripture, what having a relationship with God is like. In this book, the intent is to help you: - Understand you are important to God - Connect with Him and let Him use you where you are - Be aware of the opportunities He gives you - Be bold and Take Action It is not just the preacher, pastor, teacher, evangelist that God is using to reach others. God uses the willing and obedient right where they are. He wants to use you as you go about your daily life. God has a specific purpose for you that only you can fill. If you don't step into all that God has for you, not only are you missing out on His blessings, but others are also missing out as well. Connect with God through action and be truly blessed.

Health is something everyone wants. Billions of dollars are spent each year trying to retain or restore health. It is a basic desire of all mankind. Anyone who likes sickness must be mentally sick! Yet, religion has told us that God is the one who wants us sick. It even tries to make us believe that sickness is a blessing. That's just not true. God wants you well. Healing is in Christ's Atonement. Jesus died for our health just as much as He died for the forgiveness of our sins. This has to be the foundation of our faith for healing. Many Scriptures relate the healing of our bodies and the forgiveness of our sins in the same verse. Jesus went about healing all who were oppressed of the devil and told us to do the same. Jesus hasn't changed, it's the people who represent Him who have changed. What about Paul's thorn in the flesh? It is commonly believed that the apostle Paul had a sickness for which he besought the Lord for healing three times, and the Lord wouldn't heal him. From that assumption, people teach that God sometimes wants us sick. In this book, Andrew reveals what Paul's thorn in the flesh was, and it wasn't sickness. If it is God's will to heal everyone, then why isn't everyone healed? It's not because of God. And it's not just because we don't have enough faith. We do have the faith to be healed. Jesus said the problem is our unbelief - unbelief cancels out faith. Instead of trying to get more faith or bigger faith, we just need a pure faith that isn't negated by unbelief.

lief. There are laws that govern the spiritual world just as there are laws that govern the physical realm. Electricity has been around since the beginning of the world, but mankind didn't benefit from electricity until recently, not because it didn't work, but because of our ignorance of the laws of electricity. Likewise, God's healing is here and available. It's only our ignorance of the laws which control the flow of God's power that keeps us from benefiting from it.

A re-release of a best-selling work argues that today's economy is firmly rooted in the nation's Judeo-Christian heritage, explaining the author's belief that financial prosperity is compatible with spiritual wealth if it promotes the well-being of society overall. Reprint. 25,000 first printing.

God's 10 Unconditional Blessings for a Richer, Fuller Life Are your relationships in trouble? Are your finances strained? Is your physical health less than optimal? Does God seem to have skipped you when he was handing out blessings? Many Christians believe that God is a good Father, but they seem to have little to show for it. Without realizing it, they have put conditions on God and have turned away his open hand. That can change! With biblical counsel, personal stories, and welcome encouragement, pastor and author Ché Ahn reveals ten decrees of blessing that open the way to favor and a deep sense of purpose and fulfillment. God's blessings are available for the asking. Speaking these godly decrees in faith will bring the concrete results his people long for.

You are NOT who you think you are. In fact, according to bestselling author Craig Groeschel in Altar Ego, you need to take your idea of your own identity, lay it down on the altar, and sacrifice it. Give it to God. Offer it up. Why? Because you are who GOD says you are. And until you've sacrificed your broken concept of your identity, you won't become who you are meant to be. When we place our false labels and self-deception on the altar of God's truth, we discover who we really are as his sons and daughters. Instead of an outward-driven, approval-based ego, we learn to live with an "altar" ego, God's vision of who we are becoming. Discover how to trade in your broken ego and unleash your altar ego to become a living sacrifice. Once we know our true identity and are growing in our Christ-like character, then we can behave accordingly, with bold behavior, bold prayers, bold words, and bold obedience. Altar Ego reveals who God says you are, and then calls you to live up to it.

Trusting Jesus is hard. It requires following the unseen into an unknown, and believing Jesus's words over and against the threats we see or the fears we feel. Through the imaginative retelling of 35 Bible stories, Not by Sight gives us glimpses of what it means to walk by faith and counsel for how to trust God's promises more than our perceptions and to find rest in the faithfulness of God.

The author recalls the 1994 fraud perpetrated by two nineteen-year-old security guards who bilked more than eight million dollars from people who thought they were buying cars at bargain-basement prices. Original.

This beautiful women's devotional will delight and encourage you in your daily faith walk, as though you are hearing messages straight from God Himself through His Word. "

Nothing Beats the Taste of Fresh Fruit Would you like true fulfillment in your life? Health in your relationships? Victory over anxiety and conflict? You can have them—if you let God's Spirit grow his fruit in your heart. In The Fruit of the Spirit, Tom Trask and Wayne Goodall take you for a close look at love, joy, peace, patience, kindness, and the rest of the fruit of the Spirit. Here is a passionate and illuminating look at what happens to your thoughts, emotions, and actions when you live each day in intimate relationship with Jesus Christ. Drawing from the storehouse of God's Word, Trask and Goodall sow seeds of insight into your heart that both convict and encourage. They show how you can cooperate with God's work in your life. And they offer true-life examples of the difference you, too, can make when you let the Holy Spirit reproduce the character of Jesus within you. Your witness for Christ is as good as the fruit your relationship with him produces. The Fruit of the Spirit points you toward a lifestyle that makes the Gospel you proclaim attractive to others because they can see its results.

A gospel of hope, inclusion, and defiance If God gets everything God wants, and if what God wants is you, can anything stand in God's way? Too many Christians have been taught that essential parts of who they are—their gender, their sexual orientation, their politics, their skepticism—prevent God from loving them fully. For these, church has been a painful experience of exclusion, despite the reality that Jesus was the embodiment of God's radical inclusion. Katie Hays invites weary Christians, former Christians, and the Christ-curious to take another look at God through the testimony of our biblical ancestors and to reimagine the church as a community of "beautiful, broken, and burdened" people doing their best to grow into their baptisms together. Hays insists that yes, God does get ev-

erything God wants, and—even better—we're invited to want what God wants, too, and want it "more and more and more, until life feels abundant and eternal and delicious and drunken with possibility." This is a message of stouthearted faith anchored in wonder—not false certainty. Atheists are welcome. Those who feel uneasy inside a church are welcome. Those still angry at other Christians are welcome. Because no matter what we've experienced, the God who still adores this world is the God of hope, inclusion, and defiance of the powers that be. And for those who are willing to collaborate in "the painstaking work of examining our Christian faith and sorting it out—the good stuff from the harmful stuff, the stuff with integrity from the stuff we simply inherited from family or church or . . . the cultural air we're breathing"—there await life-giving possibilities found nowhere else.

If you're tired of second-guessing your parenting skills, this topical Bible study will help you find a realistic approach to raising your kids.

"The fruit of the Spirit working through millions of believers by faith could literally change the world...This is must reading for every sincere believer!" – Dr. Bill Bright, founder and president of Campus Crusade for Christ International Would you like true joy? Healthy relationships? To live free from anxiety? You actually can if you let God's Spirit grow His fruit in your heart. Your witness for Christ is only as good as the fruit your relationship with Him produces. The Fruit of the Spirit points you toward a lifestyle that makes the gospel you proclaim attractive to others because they can see its results in your everyday life, emotions, demeanor, and actions. Drawing from Biblical examples, Trask and Goodall share insights that both challenge and encourage. They offer true-life examples of the difference you, too, can make when you let the Holy Spirit reproduce the character of Jesus within you.

The controversial subject of the spiritual authority of the believer in Christ is widely discussed in the church today. Now, Andrew Wommack, host of the #1 fastest growing ministry on television, gives us a new perspective that may challenge everything we've been taught including: If believers have been given authority, then when, how, and toward what should it be exercised? Discover the true battleground and learn how to recognize the real enemy. Most people believe God created our enemy, Satan, but did He? Understanding the answer will set you free to exercise your authority as a believer. Is spiritual warfare, as taught in many churches today, valid? Can believers use their authority to fight the devil and his demons in the air, or is the real battle in the mind? Digging into the Scriptures, Andrew reveals the spiritual significance of choices, words, and actions and how they affect a believer's ability to stand against the attacks of Satan and to receive God's best. Discover how the enemy works through your thoughts, interjecting his negative influence on a consistent basis. The devil can't control you outside of your will, but he can use the power of fear, jealousy, envy, bitterness, self-pity and more. A believer's lack of awareness and understanding of the battle only works to the enemy's advantage. By believing God's Word and recognizing what's happening in the spirit realm, you can begin to take the proper action to improve your situation. Learn to release God's power of blessing instead of yielding to Satan's power of sin and death.

"Inviting, accessible and personal. . . . A reminder of an overlooked truth: faith leads to joy." —James Martin, SJ, author of The Jesuit Guide to (Almost) Everything Fox News analyst Father Jonathan Morris challenges the wisdom espoused by New Age self-help experts with the time-tested counsel found in the Bible. Readers who may have sought solace in popular self-help books like Eckart Tolle's A New Earth, Rhonda Byrne's The Secret, or Deepak Chopra's The Seven Spiritual Laws of Success will be enthralled by Morris's moving argument about the enduring spiritual succor awaiting in Scripture.

The Bible is God's message to mankind and it explains a lot. You just need to know where to look for the answers you seek. I've had the same questions you've had and maybe more. I found the answers in the Bible and have written them in this book. Do you want to know why God created Hell? How to assure your place in Heaven? Why the world is in such a mess? Who really rules the earth? Why we get sick? Why God hasn't answered your prayers? Why, if there is only one God, does the Bible talk about a trinity? Is Jesus really God? These questions and many more have answers, and I think if you read this book you will find a whole new insight into what the Bible really reveals. Don't let your unanswered questions lead you down the wrong path! God wants you to know the truth, that's why he inspired people throughout the ages to write the Bible. Don't let its size or other people's uninformed opinions keep you from knowing what God wants you to know. This book will give you a fresh look at what is really in the Bible and inspire you to build your personal faith based on the truth that is revealed in Scripture. If you are already a faithful Christian but are frustrated by not being able to answer the questions from unbelievers, this is the book for you. If you are an unbeliever but are curious about what Christianity is about, this is the book for you. Don't let preconceived beliefs keep you from learning true Biblical knowledge. God wants you to know what He revealed in His book. My book will help you to see some of the most important facts that God reveals to us through the Scriptures.
