Step 3: Calculate software license cost  
Calculate the cost of the Starter Pack, any additional packs and the cost per user. Don't forget to check for any available discounts. Microsoft Dynamics GP (Great Plains) Software List Price: Starter Pack: \$5,000 for THREE concurrent users (required) Additional Full Users: \$3,000 each

Microsoft Great Plains is designed to deliver on these business expectations. Microsoft Dynamics GP (formerly Great Plains) is more than just accounting software - it is a complete enterprise re-

source planning (ERP) solution.

Microsoft Dynamics GP takes the old Great Plains and revamped it into a customizable, powerful mid-range accounting solution in the cloud via third-party partners (on-premise available). It has all the standard accounting processes delivered in a logical navigational architecture with links to micro functions.
