A humorous guide to gay experimentation for straight women offers a wealth of advice on how to spice up a relationship with a boyfriend, enter into a same-sex relationship, and more. By the author of *Don't Sleep with Your Drummer*. Original. 30,000 first printing.

"The fool-proof guide to meeting women without a formal introduction"--Cover."

Going out to a bar can be a great place to pick up girls. Still, even though it's pretty much the quintessential place to meet and attract women, a lot of men feel that they're falling short when it comes to picking up girls in bars. That's OK: We're here to show you how to pick up a girl at a bar and make the most out of your night every time that you head out.

Take The Chump Challenge True Or False: 1. Treating a girl you like to a dinner date is a great idea. 2. Slipping sexual innuendo into a conversation with a girl you hardly know is a bad idea. 3. Talking to the prettier of two girls is a good idea. If you answered false to all three questions, you just might be a PUA (pickup artist.) Otherwise, you are an AFC (average frustrated chump.) If you think that's crazy, consider this: these dynamics have been confirmed hundreds of times by hundreds of men. The Layguide teaches any guy the proven techniques of the best pickup artists in the world: • The 3-seconds Rule (the most important rule you'll ever learn). • Developing the confidence of a true player. • How to become an Alpha Male. • The most successful approaches. • Gimmicks that work. • Closing the deal. Armed with the wisdom collected in *The Layguide*, you will never again waste money on go-nowhere

dates. You will never again hesitate to approach a beautiful woman. You will no longer fear rejection. You will never be a supplicating chump just because a woman is attractive. You WILL be an unapologetically sexual male with poise, power, and the skills to have any woman you desire. Tony Clink is the webmaster of www.layguide.com, and one of the most successful pick-up artists in the world.

Romy Miller is a woman. She understands women. Now, she can help you do the same. *Understanding Women: The Definitive Guide to Meeting, Dating and Dumping, if Necessary* will turn you into a dating machine and help you go from loser to lover in no time flat. Taking a straightforward approach, this book leaves no excuses for you to not only succeed with women but to understand them as well. This new edition shows how to gain the knowledge and confidence you need to get out there and get the happiness and relationship you deserve. Isn't it time to step up to the plate and take a swing? Isn't it time to start looking at dating from a different perspective? Don't you want to look forward to dating? Now, you can!

Have you ever dreamt of becoming an infallible seducer of women? This book tells you everything you need to know, courtesy of the world's only major female PUA (pick-up artist), Kezia Noble! Unknown until a couple of years ago, Kezia was approached by the organisers to attend a PUA class meeting. She gave it to the other attendees straight, not caring if she offended anyone; the men took it on the chin and took her constructive criticisms on board. Within days and weeks they were trying out her suggested techniques and starting to become more successful with women. Kezia returned to the PUA classes and started to make a name for herself. Kezia Noble is

the first woman to offer the aspiring pick-up artist advice on how to attract women from a woman's point of view. She now runs many classes and a workshop, and even produces corporate videos on the chemistry of attracting women. Now, in answer to requests from her students, Kezia has written a book on the 15 steps to becoming a master seducer - which will also prove an invaluable aid to men who cannot afford her classes, who work too far away or don't have enough time. The Noble Art of Seducing Women is the first and only sure-fire pick-up guide to be written by a woman. It has the potential to transform a lonely man into someone who need never be single again . . . unless, of course, he wants to be. Kezia Noble works with her students instead of belittling them. As a sensitive and intelligent young woman, she is becoming known as the best PUA in the business...

"You can become irresistibly attractive to women without changing who you are." So says Mark Manson, superstar blogger and author of the international best-seller, The Subtle Art of Not Giving A F*ck, a self help book that packs a punch. Mark brings the same approach to teaching men what they need to know about attracting women. In Models he shows us how much it sucks trying to attract women using the tricks and tactics recommended by other books. Instead, he says, men need to focus on seduction as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. To improve your dating life you must improve your emotional life - how you feel

about yourself and how you express yourself to others. Funny, irreverent and confronting, Models is a mature and honest guide on how a man can attract women by giving up the bullsh*t and becoming an honest broker. "A detailed guide to modern sexual ethics" Sydney Morning Herald "There's nothing subtle about Mark Manson. He's crude and vulgar and doesn't give a f*ck . . . He's as painfully honest as he is outrageously funny" Huffington Post

True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it—and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend

you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, Get Over Yourself! will help you get the love you've always wanted and deserve.

Or absolutely have no idea what you're doing when it comes to asking a girl out on a date? Let's see if this sounds familiar? It was funny how a few year's ago, I was an average frustrated schmoie who thought putting a woman on a pedestal would lead to sex...I'd follow them around like a dog on a leash and jump at the chance to do them a favor at their requests; a complete fool. A hopeless romantic, I'd used to call it. After some bad dating experiences, I decided to look into some psychology and influence books to help me learn, "what makes a women tick." After months of research and experience, I've learned the following: You don't have to be a good-looking, rich smooth operator to be successful with women. It's all a matter of attitude. I promise, every man on this earth has the ability to become irresistible to any woman! And more importantly - your situation is NOT hopeless. The big problem is that men have been fed the same

garbage and the wrong information over and over about women... Here are the biggest myths about What Women Want! The first one is, women only go for good-looking, six-pack, muscular guys... The second is, women will go out with you if you have a fat wallet... The third is, women only date guys with nice cars... "Yeah, Right!" Sure it would help to have a six pack, with six cars and a earning 6 figures a year...But you still need to have game to pick up and keep that woman! That's why you need to try something different...

Hidden somewhere, in nearly every major city in the world, is an underground seduction lair. And in these lairs, men trade the most devastatingly effective techniques ever invented to charm women. This is not fiction. These men really exist. They live together in houses known as Projects. And Neil Strauss, the bestselling author and journalist, spent two years living among them, using the pseudonym Style to protect his real-life identity. The result is one of the most explosive and controversial books of the last decade—guaranteed to change the lives of men and transform the way women understand the opposite sex forever. On his journey from AFC (average frustrated chump) to PUA (pick-up artist) to PUG (pick-up guru), Strauss not only shares scores of original seduction techniques but also has unforgettable encounters with the likes of Tom Cruise, Britney Spears, Paris Hilton, Heidi Fleiss, and Courtney Love. And then things really start to get strange—and passions lead to betrayals lead to violence. The Game is the story of one man's transformation from frog to prince to prisoner in the most unforgettable book of this generation.

Screw Cupid is the guide for every woman ready to take her dating life into her own hands. The result: perfectly calibrated guidance on how to initiate a conversation—anytime, anywhere—and get right to a date, all without a guy knowing he's being picked up.

"Casanova meets Osho. Real Natural Seduction offers an awakened yet practical approach to becoming a 'natural' with women." - Ari Lee, Dating Coach "An actual refreshing take on 'pick up' and seduction. Completely real, genuine and no creepy pickup artist tricks and manipulation. Basically, this book is about how to become an attractive man that women love to be around. And it's dead on." - Alana Castro, The Indie Review **** Have you noticed that there's something terribly wrong about the way men and women

today interact? We lie, cheat, manipulate and play games with one another and very few of us have anything close to the kind of choice we want with women... But all of us know at least ONE guy who is totally at ease around women. This is a guy who women LOVE and can't seem to resist... This is a man who is REAL. This is a man who is NATURAL. He seduces the world. His presence is a poetry. His very life is a great, unfolding love affair. And women are magnetically drawn to his charm, mystery and danger. Would you like to awaken this man within you? He's there... Real Natural Seduction is a practical guide to reaching your natural potential as a seducer. No manipulation is necessary. No games are needed. But bring your courage. Bring your beating red heart. Because you're about to embark on a journey into the land of women. And each time you visit, you'll be greeted more warmly, with more open arms waiting for you. This book teaches you how to meet and attract gorgeous women everywhere you go. ...Because gorgeous women are everywhere! In the chapters that flow between practical techniques and important mindsets, you will learn the behaviors and beliefs of a natural seducer and apply them to your life. This isn't a bunch of dorky theory argued about by virgins in online forums. This book rises out of years of experience and experimentation. Including spectacular failures, brilliant trysts, and ceaseless learning to understand this beautiful creature known as woman. And understanding oneself. You will NOT simply learn a bunch of disjointed techniques that attempt to cobble you together into a real man from whatever scraps are lying around. Instead, you will read a principle-based approach to seduction. You will also gain insight into some of seduc-

tion's most common issues and sticking points, and learn many counterintuitive answers and solutions that took literally years of field experience to unearth. You'll explore things like: - How To Approach Women - How To Overcome Approach Anxiety - Traits of a Natural Seducer - Managing Expectations - The Venue Illusion - Living An Attractive Lifestyle - Why Acting Aloof is Wrong - How To Avoid Being Put In the "Friends Zone" - Sexual Escalation - How To Not Run Out of Things To Say - Inner Game vs Outer Game - The Power of Awareness - Why Showing Up Is The Only Prerequisite - Reading Non-Verbal Cues ...and more. This book isn't self-help. It isn't instruction. It is *inspiration*. Although you learn some technical elements of seduction, this book is not meant to give you a prescribed course of action. It's meant to remind you that you must walk your path and create it at the same time. But you cannot walk another man's path. You're not destined for the background. You were put on this earth to play a role written just for you. Step into the foreground where the light, the danger and the glory await you. You owe it to yourself and the women around you to go forth into the world with all your strength, courage and authenticity. To become a beacon of masculine light in a dark sea of lost wussy boys. To become the eye of the feminine hurricane, as it moves around you tempestuously in brilliant flashes of color and sound. It's time to claim your birth right to flow through this world with amazing women at your side. Women who inspire, excite and amaze you. Women who give you a taste of the divine, and in whose arms you are absolved of every wrong.

Win Love Win Life is written for the guy who hungers to improve himself and acquire the perfect woman he desires. It's written for ANY man, young or old, who needs a little polishing around the edges to achieve his dreams! It's also a HUGE resource for women: understand how your husband or boyfriend thinks and learn what he needs and wants! I started writing this book as a time machine letter to my teenage self. It quickly took on a life of its own and I hope the collection of expert wisdom and shared life experiences helps give you the complete knowl-

edge you crave to make your dreams become a reality. Senior year of high school I'd lay on my bed and wonder what my life would be like in the future. I still hadn't landed a girlfriend at this point. Most of my friends had girlfriends and allegedly gotten laid already and I wondered if I ever would. I needed a step-by-step guide on not only how to pick up and date women but how to act "normal" and be "cool." I bought a copy of Eric Weber's How to Pick Up Girls and felt immediately ripped off as learned nothing from the outdated and misogynistic advice. I still didn't know how to successfully present myself so girls would be attracted to me and want to go out on dates. What I began to realize in my following college years is that repetition, bravery, and failure can breed strong self-confidence and magnetism (mojo). The blinders were lifted from my eyes and woman after woman would walk into my life. It was my total choice and personal actions to direct where these relationships went, exactly like the Choose Your Own Adventure books I used to read in grammar school. We truly do hold that much power in our lives with every decision - or indecision - writing our futures in real time. Instead of writing a faux-intellectual "how to pick up women" book filled with regurgitated hyperbole, I thought it would be more fun for you to gain insight through my personal experiences with dozens of women all-the-while absorbing tips and tricks interlaced between stories. Every story has multiple lessons you can glean wisdom from and implement immediately into your life. Acquiring your true love will take dating multiple women until you find a hottie that clicks with you. With the knowledge contained in this book I will teach you exactly how to make it happen and pave your road to achieve

success in love and life. Start your journey to the Alpha kingdom and begin winning love and life!

Tucker offers a handy guide for men who don't want to bother with wining and dining who are looking for easy, available women. He unveils that the secret mainly lies in how a person presents himself when he finds himself in the right place at the right time.
