Z4UQP7 - NICOLE KOCH

Cambridge Handbooks, Cambridge University Press, Reference ...

Book Description The Routledge Handbook of Language and Intercultural Communication provides a comprehensive historical survey of language and intercultural communication studies with a critical assessment of past and present theory, research, and practice, as well as an insight into future directions.

The Handbook of Critical Intercultural Communication Studies aims to produce a volume of essays that powerfully engage issues and topics related to critical intercultural communication studies. Critical intercultural communication studies represents a burgeoning area of inquiry within the field of intercultural communication in the larger Communication discipline.

The Handbook is structured in five sections and covers historical perspectives, core issues and topics, and new debates in the field, with a particular focus on the language dimension. Among the key themes addressed are: the foundation of intercultural communication; core themes and issues; putting intercultural communication theory into practice; new debates and future directions.

Cambridge Handbooks Genuinely broad in scope, each handbook in this series provides a complete state-of-the-field overview of a major sub-discipline within language study, law, and psychological science research.
