The Oldest Living Graduate is the autobiographical account of LTG William J. Ely, who began his life's journey in 1911 when he was born on a small Pennsylvania farm. He graduated from the United States Military Academy at West Point in 1933 and went on to serve for thirty-three years, rising to

the rank of lieutenant general before his retirement from the service in 1966. The Oldest Living Graduate reaches its end with a brief personal status report of the author's daily life.
