The Cambridge IGCSE Physics syllabus helps learners to understand the technological world in which they live, and take an informed interest in science and scientific developments. They learn about the basic principles of Physics through a mix of theoretical and practical studies.

As most of you may know, recently what seemed to have been a leak of iGCSE physics paper 41 was made public. The leak was claimed to have originated in the Middle East at some point shortly before the exam was about to begin and was circulated on snapchat. Within the last couple of hours Cambridge have made two statements on facebook and twitter where they establish that no leaks have occurred and the rumors surrounding them have been investigated.

**Update on physics paper 41 leaks. : igcse**

Thu 23rd Aug 2018, 6.00. AQA has confirmed two science papers were hit by a question error and leak on social media in this summer's GCSE exams. The exam board said pupils will receive full marks in the affected questions and no children will be advantaged or disadvantaged by the issues, which saw the wrong questions put into a physics paper and a pupil sharing chemistry questions online before the exam.
