If you are sure that nothing is leaking or using excess water, contact your local Kinetico dealer who will need to investigate the cause of the increase in salt usage. Outside Tap If your softener is supplying your outside tap, using it will cause the water softener to use more salt than needed so remember to bypass your water softener before using your outside tap.

### **Troubleshooting Guide | Kinetico UK**

For more information on maintaining and servicing your Kinetico water softener, refer to the Kinetico owner's manual. Does Your Home or Business' Water Softener Need Servicing? If your home or business' water softener system isn't func-

tioning properly, put the system into bypass and give your local Kinetico experts a call.
