Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people,

events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Experience Spanish: Un mundo sin límites, presents vocabulary and grammar in action through culture. With emphasis on the 5C's, the Experience Spanish program delivers dynamic opportunities for communicative practice in all course delivery formats built upon the following principles: Culture is core: Culture is infused throughout the program. The students' cultural experience and exposure is not limited to special cultural sections, but rather embedded in presentations as well as in vocabulary and grammar practice. The dedicated cultural sections are rich and varied: Entrada cultural, Expresiones artísticas, Notas culturales, Notas interdisciplinarias, Lectura cultural, Concurso de videoblogs, Conexiones culturales en vivo, and Conexiones culturales. These readings, videos, notes, and fine art presentations offer students extensive cultural perspectives and promote cross-cultural comparisons and connections. Language in action: Vocabulary in Experience Spanish is presented visually through colorful, engaging illustrations, and put into action with personal and communicative activities. Grammar points are introduced with contextualized short dialogues or cultural readings that immediately illustrate the concepts inaction, allowing students to experience the structures in context before focusing on the forms and rules. Personalized experience: No two students are alike. Why should their learning paths be? LearnSmart uses revolutionary adaptive technology to build a learning experience unique to each student's individual needs. Students engage in targeted vocabulary and grammar practice so they are prepared to practice communication in the classroom. To further the personalized experience, we're excited to announce the interactive 3-D game, Practice Spanish: Study Abroad, that immerses students in a

virtual study abroad experience in Colombia. Practice Spanish, accessible on laptops and mobile devices, allows students to practice real world language in a game environment that integrates culture, grammar, and vocabulary. Experience Spanish everywhere: Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective. \*Connect Spanish, including but not limited to the workbook/lab manual, LearnSmart, Practice Spanish: Study Abroad, the video program, and chat tools, is sold separately and does not come automatically with the purchase of the textbook.

A unique learning experience geared to the way children learn best. The biggest hurdle young children face when learning a new language is stringing words together into coherent sentences. Developmental psychologist and veteran language teacher Maurice Hazan has created an ingenious new way to help kids over that hurdle. The I Can Read and Speak series makes learning fun with an exciting combination of dramatic action pictures, sounds, symbols, and learning activities including flash cards and stickers. Kids are introduced to 60 new words that are used in simple illustrated stories. Learning activities at the end of each story encourage kids to re-create the sentences and create new sentences of their own, using specially designed flash-card symbols. Each book includes: A colorful storybook illustrated with photographs Lively storybook narration (on CD) for proper pronunciation Flash cards and stickers to encourage sentence and story creation Tips for parents on how to adapt the material to their child's learning style

¡Avance!: Intermediate Spanish is an exciting new program for second-year students of Spanish: a single volume that distills the very best of the highly acclaimed Pasajes series: Lengua, Cultura, and Literatura. Intermediate through advanced Streetwise Spanish presents the colloquial and slang expressions that students need and want to know but usually do not learn in their Spanish classes. The 15 chapters contain short dialogues, translations of the dialogues, explanations of the colloquial and slang expressions, authentic jokes, cartoons from Spanish publications, and exercises. Note: This text includes "earthy" and vulgar expressions! Each dialogue presents universal Spanish idioms and also includes slang from a particular country or city that is identified in the introductory line of the dialogue. Alternate forms used in other areas are explained in the vocabulary notes.

It's more than a text. It's a program. Success in the language classroom requires so much more than just a text. In any language-learning setting, students require numerous and various opportunities to read, write, hear, and speak. Puntos de partida sets the standard for Spanish-language teaching. An innovative program that has been continuously refined for today's classroom, Puntos delivers proven pedagogy with clear and effective presentations, comprehensive teaching resources, and powerfully adaptive digital tools. Now in its anniversary Tenth Edition, Puntos builds on the holistic, five-skills approach it pioneered. It's the Puntos you know. It's the Puntos of today. Puntos hallmark features include: Engaging and Immersive Digital Tools: Connect Spanish is the most powerful and flexible course management system available. Rooted in research on effective student learning practices, the platform integrates adaptive learning tools with dynamic, engaging language practice activities. McGraw-Hill's LearnSmart provides each student with a personalized and adaptive learning experience based on individual needs. Connect Spanish also provides the instructor with both the ability and flexibility to pull from the robust set of content available in the platform and craft a unique learning path based on the goals of the course. With Practice Spanish: Study Abroad, the market's first 3-D immersive language game designed exclusively by McGraw-Hill, Puntos brings the language to the students in a fun, engaging, and immersive gaming experience. Students "study abroad" virtually

in Colombia where they will create their very own avatar, live with a host family, make new friends, and navigate a variety of real-world scenarios using their quickly developing Spanish language skills. The first and only analytics tool of its kind, Connect Insight is a series of visual data displays—each framed by an intuitive question—to provide instructors at-a-glance information regarding how your class is doing. Connect Insight provides analysis on five key insights, available at a moment's notice from your Connect course. A Comprehensive scope and sequence: The comprehensive scope and sequence allows instructors to choose what to cover throughout the course without having to supplement their own materials to fill gaps present in other texts. Carefully arranged organization: the overall organization carefully progresses from formulaic expressions to vocabulary and grammar relevant to daily life and personal interests (studies, family, home, leisure activities), then goes on to prepare students for survival situations (ordering a meal, traveling), and finally branches out to broader themes (current events, social and environment issues). This forward progress is reinforced by a cyclical structure where vocabulary, grammar, and language functions are continuously reviewed and recycled. Clear and effective vocabulary and grammar presentations: Puntos' approach to vocabulary and grammar focuses on the acquisition of vocabulary during the early stages of language learning and then at the start of each chapter throughout the text. Grammar is introduced in thorough explanations, with careful attention given to skills development rather than grammatical knowledge alone. These explanations are now even more accessible to students, featuring conversational language, increased clarity, additional examples, and organization of complex, dense explanations into manageable chunks of concise grammar summary. Integrated four-skills approach: Puntos carefully sequences activities, moving students from controlled to free-form tasks. In the tenth edition, this overall scaffolding is improved and introduced at the individual activity level. Starting with the very first activity fol
