The new H. Moser & Cie Pioneer Perpetual Calendar combines the recent Pioneer case, sporty - but not a sports watch either - with the signature QP of the brand.

What we have here is a 42.8mm stainless steel watch with a rather bold, masculine style - at least a shape that is more present and more angular than the rest of the Moser production, which usually is refined and subtle.

In the same year A. Lange & Sohne released a new version of their 1815 power reserve watch, they released the most

complicated version of the 1815 yet with the 1815 Rattrapante Perpetual Calendar watch. The 1815 collection is among my favorites, especially since Lange has been increasing their size to meet up with Western demand.
