The signature creation of cartoonist Roger Langridge, Fred the Clown is the thinking man's idiot. Fred has an eye for the ladies, as well as several other organs, but the only part of themselves they're willing to share with him is a carefully placed kneecap. Fred the Clown's misadventures are a curious balance of bleakness and joyful absurdism; the universe may dump on Fred from a great height, but he never gives up. More often than not, they involve the pursuit of a lady—any lady will do, it seems, but bearded ladies are at the top of the list. Disappointment seems inevitable, and it usually is; yet, almost despite himself, Langridge will occasionally give Fred a happy ending out of nowhere... p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 13.9px Arial; color: #424242}

When a local's troubling death is linked to a Russian oligarch and his multinational conglomerate, Bruno faces one of his toughest cases yet, one that brings together a French notary and a rock star--and, of course, Bergerac red and white. It's summer in the Dordogne. The heirs of a P rigordian sheep farmer learn that they have been disinherited, and their father's estate sold to an insurance company in return for a policy that will place him in a five-star retirement home for the rest of his life. But the farmer never gets his life of luxury--he dies before moving in. Was it a natural death? Was there foul play? Bruno begins the investigation that leads him to several shadowy insurance companies owned by a Russian oligarch with a Cypriot passport. The companies are based in Cyprus, Malta, and Luxembourg, but Bruno finds a weak spot in France: the Russian's France-based notaire and insurance agent. As Bruno is pursuing this lead, the oligarch's daughter turns up in the P rigord, and complications ensue, eventually bringing the action to the ch teau of an aging rock star. But, as ever, Bruno makes time for lunch amid it all.
