Detective Isaac Bell's investigation into an attempted assassination brings him to the construction site of the Panama Canal--and straight into a nest of vipers--in the latest adventure in the #1 New York Times bestselling series from Clive Cussler. Detective Isaac Bell's wife has said that he is always in the wrong place at the right time. This is certainly the case when Bell thwarts the assassination of a U.S. Senator shortly after meeting the man. This heroic rescue is just the start of the mystery for Bell, who suspects that the would-be assassins have a much larger and more dangerous agenda--one involving the nearly-constructed Panama Canal. While the senator supports the building of the canal, there are many, including a local Panamanian insurgency known as the Red Vipers, who never want to see its completion. With millions of dollars and the fates of two nations at stake, Bell heads to Panama to find answers. After a deadly bombing at the canal's construction site, he is determined to stop the insurgents--or whoever is funding them--before they can attack again.

Around the world ancient artefacts are suddenly appearing, hinting at a catastrophe that will soon visit Earth... Dirk Pitt is on hand at a Colorado archaeological site where an ancient and mysterious artefact has been found - one that is perhaps linked to other strange objects turning up across the globe.

High seas explorer Dirk Pitt must stop an American millionaire from using impoverished nations for his own personal experiments in this #1 New York Times bestselling action adventure series. A routine survey mission over the North Atlantic exposes a missing luxury yacht frozen inside a million-ton mass of ice. The ship had vanished en route to a secret White House rendezvous, making it the responsibility of the National Underwater and Marine Agency to find out what happened. In other words, it's time for Dirk Pitt to cut his sunny, California vacation short and get back to work. Of course, when Pitt arrives on the scene and discovers the charred remains of the entire crew, who burned alive but never left their posts, he begins to suspect the tragic loss of the ship to be only the first, deliberate step in a far more sinister plan.

Undersea adventurer Dirk Pitt faces the toughest challenge of his life when he plunges into a deadly sea zone to rescue the gigantic Starbuck, America's nuclear arsenal, while battling deep-sea assassins. Reissue.

Clive Cussler's New York Times bestselling Blue Gold, now available in ebook, is a heart-pounding thriller in the NUMA adventure series. Kurt Austin navigates the Amazon jungle in search of a legend that could change the path of science—but secretive powers will do anything to stop him. From deep within the Venezuelan rain forest emanates the legend of a white goddess and a mysterious tribe with startling technical accomplishments. Few believe the tribe exists—and even fewer suspect its deity may hold knowledge that can change the course of history. For National Underwater & Marine Agency crew leader Kurt Austin, an investigation into the sudden deaths of rare whales leads him to the Mexican coast, where someone tries to put him and his mini-sub permanently out of commission. Meanwhile, in South America's lush hills, a specially assigned NUMA crew turns up the white-goddess legend—and a murderous cadre of bio-pirates intent on stealing medicinal secrets worth millions. Soon Austin and his crew realize they're working the opposite ends of the same grand scheme. A billionaire California tycoon is poised to rise to power by monopolizing the earth's vastly depleted freshwater reserves and ultimately dominate the world. Austin has a hunch Venezuela's mythical tribal goddess has some real roots in science, and may be the key to locating a secret formula that could turn vast amounts of seawater into fresh. But with each step into the bush, he and his NUMA team feel like fish out of water—and must fight a deadly, twisting trail of enemies through a dense jungle of treachery, blackmail, and murder.

A return to #1 New York Times bestselling author Clive Cussler's stunning private collection of rare, classic automobiles, picking back up in 1948 where Built for Adventure left off. In striking full-color photographs and engaging commentary, fans of Clive Cussler's five bestselling series can explore the personal automotive collection of the literary master of mechanical marvels. Readers will explore the history of each model and the story of how it was found and restored, not to mention notes on where some of these dazzling machines have appeared in his novels. The fins, the fenders, the furious horsepower: Built to Thrill runs straight through the forties, fifties, and sixties, capturing it all.

Detective Isaac Bell tracks a killer across the nation's oilfields in this adventure in the #1 New York Times bestselling historical series. As Van Dorn private detective Isaac Bell strives to land a government contract to investigate John D. Rockefeller's Standard Oil

monopoly, the case takes a deadly turn. A sniper begins murdering opponents of Standard Oil, and soon the assassin—shooting with extraordinary accuracy at seemingly impossible long range—kills Bell's best witness. Then the shooter detonates a terrible explosion that sets the victim's independent refinery ablaze. Bell summons his best detectives to hunt down the mysterious killer. But the murders—shootings, poisonings, staged accidents—have just begun as Bell tracks his phantom-like criminal adversary from the “oil fever” regions of Kansas and Texas to Washington, D.C., to the tycoons' enclave of New York, to Russia's war-torn Baku oil fields on the Caspian Sea, and back to America for a final, separate confrontation. And this one will be the most explosive of all.

Wanting to leave their herb farm and travel the world, Lacey and Casey receive a magic box from a strange man wandering through their town and suddenly are able to transform their favorite bi-plane toy into the real thing that allows them to take to the skies and live out their greatest dreams. Reprint.

Everywhere, waters are rising--and that is just the beginning of the world's peril, unless the NUMA crew can beat the clock in this thrilling novel from the #1 New York Times bestselling grand master of adventure. An alarming rise in the world's sea levels--much larger than could be accounted for by glacier melt--sends Kurt Austin, Joe Zavala, and the rest of the NUMA scientific team rocketing around the globe in search of answers. What they find at the bottom of the East China Sea, however, is even worse than they imagined: a diabolical plan to upset the Pacific balance of power--and in the process displace as many as a billion people. A rare alloy unlike anything else on earth, a pair of five-hundred-year-old Japanese talismans, an assassin so violent even the Yakuza has disowned him, an audacious technological breakthrough that will become a very personal nightmare for Kurt Austin--from the shark-filled waters of Asia to the high-tech streets of Tokyo to a forbidden secret island, the NUMA team must risk everything to head off the coming catastrophe.

The world's oil supply is vanishing, the stock market is plummeting, and the key to saving the future seems to be a baffling historical mystery. Can the NUMA crew crack it in time? Sea of Greed is the suspenseful new NUMA Files novels from the #1 New York Times bestselling grand master of adventure. After an explosion in the Gulf of Mexico destroys three oil rigs trying to revive a dying field, Kurt Austin and the NUMA Special Projects Team are tapped by the President of the United States to find out what's gone wrong. The trail leads them to a brilliant billionaire in the alternative energy field. Her goal is the end of the oil age; her company has spent billions developing the worlds' most advanced fuel-cell systems. But is she an environmental hero...or a rogue genetic engineer? The NUMA crew discovers that the oil fields are infected with bacteria that are consuming the oil before it can be pumped out of the earth--a bacteria originally lost decades ago when two submarines vanished in the Mediterranean. With hired killers on his trail, can Kurt Austin locate a submarine that's remained hidden for more than fifty years? And even if he can, can the biological terror that's been unleashed be stopped?

Dirk Pitt—“oceanography’s answer to Indiana Jones”—responds to a Mayday signal from a deserted ship and gets drawn towards a deadly Cold War secret in this thriller in Clive Cussler’s #1 New York Times bestselling series. Dirk Pitt, the director of the National Underwater and Marine Agency, is on the Black Sea, helping to locate a lost Ottoman shipwreck, when he responds to an urgent Mayday—“Under attack!”—from a nearby freighter. But when he and his colleague Al Giordino arrive, there is nobody there. Just dead bodies and a smell of sulfur in the air. As Pitt and Giordino explore, a blast from the stern scuttles the ship swiftly, almost taking them with it. The more the two of them search for the secret of the death ship, the deeper they descend into an extraordinary series of discoveries. A desperate attempt in 1917 to preserve the

wealth and power of the Romanov Empire. A Cold War bomber lost with a deadly cargo. A brilliant developer of advanced drone technology on an unknown mission. Modern-day nuclear smugglers, determined Ukrainian rebels, a beautiful anti-terrorism agent from Europol—all will combine to present Pitt with the most dangerous challenge of his career. And not only Pitt. His two children, marine engineer Dirk and oceanographer Summer, are exploring a mysterious shipwreck of their own, when they are catapulted into his orbit. The three of them are used to perilous situations—but this time, they may have found their match.

Marine explorer Dirk Pitt must rely on the nautical lore of Jules Verne to stop a ruthless oil baron with his sights set on political power in this #1 New York Times bestselling series. In the middle of its maiden voyage, a luxury cruise ship using revolutionary new engines suddenly catches fire and sinks. Its alarms stay silent; its sprinkler system remains inactive. Nearby NUMA special projects director Dirk Pitt notices smoke and races to the rescue. He's too late to save the engineer behind the ship's new technology, but helps the man's daughter, Kelly Egan, escape with her father's work in a leather briefcase. While Ms. Egan strives to uncover the hidden value in her father's inventions, Pitt is hired on by maritime insurers to investigate the wreckage. Neither are prepared for the mechanical marvels they'll soon be forced to confront. The machines could only be the stuff of legend, described in the tales of Viking explorers or the accounts of Jules Verne. And they may be Pitt and Egan's only hope when an oil tycoon with a plan of his own appears on the scene. Before journey's end, Pitt will take on a power-mad millionaire, tread upon territory previously known only to Verne's illustrious Captain Nemo, and make shocking discoveries about his own past.

El experto en rescates Dirk Pitt se enfrenta a un peligroso desafío. En 1859, se produce el naufragio de un barco británico que transporta condenados a Australia. Dos de los supervivientes consiguen llegar a una isla desierta donde descubren una mina de diamantes. Este hecho dará lugar a la fundación de un imperio familiar dirigido por Arthur Dorsett y sus tres hijas. Una de éstas, Maeve, se ha apartado de su familia y alterna su profesión de bióloga con trabajos como guía científica de cruceros por la Antártida. Durante uno de estos viajes, un grupo de turistas muere repentinamente por causas misteriosas y la propia Maeve, junto a unos pocos, es rescatada por Dirk Pitt. A partir de entonces, las investigaciones de Pitt pondrán al descubierto una monstruosa trama de ambición y codicia cuyo epicentro se halla, precisamente, en las minas de diamantes de la familia Dorsett...

Only Juan Cabrillo and the crew of the Oregon stand between two warring moguls and global havoc in this thrilling suspense novel in Clive Cussler's #1 New York Times bestselling series. Nearly two thousand years ago, an Eastern emperor charged a small group with safeguarding secrets powerful enough to change the history of mankind. They went down in legend as the Nine Unknown Men--and now two rival factions of their descendants are fighting a mighty battle. Both sides think they are saving the world, but their tactics could very well bring about the end of humankind. Soon, Juan Cabrillo and his team of expert operatives aboard the Oregon find themselves trapped between two power-hungry adversaries, both of whom are willing to use shocking means to accomplish their goals. Cabrillo and the team must divide and conquer as they fight dual threats, which include a super-computer at sea and satellites that can wipe out technology across the globe--including the high-tech weapons on board the Oregon. The crew must rely on their unique skills to stop the tyrants in their tracks and save the earth from a dynasty of terror.

In Final Option, Juan Cabrillo fights the worst enemy from his past to the terrifying and unexpected ending created by the Grand Master of Adventure, Clive Cussler, in the latest action-packed thriller in his #1 New York Times bestselling series. When the CIA realizes the identities of three American spies in Brazil have been compromised, they turn to Juan Cabrillo and the crew of the Oregon to rescue the agents. What seems a routine operation turns out to be a trap designed by Juan Cabrillo's greatest enemy, a man driven by hate to seek the ultimate revenge. At the heart of the plot is a state-of-the-art ship that is identical to the Oregon: same weaponry, same technology, same ability to evade capture. The only thing it doesn't have is Cabrillo and his talented crew. But will they be enough to go up against the one ship that rivals their own? The crew of the Oregon must piece together a series of disturbing events, including the mysterious sinking of a nuclear attack submarine and the possible discovery of a WWII-era weapon that was thought to be lost in the jungles of Brazil, in the ultimate game of cat and mouse.

A SUNDAY TIMES BESTSELLER 'Cussler is hard to beat' Daily Mail The thirteenth adrenaline-filled Dirk Pitt classic from multi-million-copy king of the adventure novel, Clive Cussler. A hundred and forty years after a British ship wrecks on the way to an Australian penal colony and the survivors discover diamonds on the tropical island where they wash up, Maeve Fletcher, one of their descendants, is stranded on an island in Antarctica with a party of passengers after their cruise ship seemingly abandons them. Dirk Pitt, on an expedition to find the source of a deadly plague that is killing dolphins and seals in the Weddell Sea, finds Maeve and the passengers and rescues them from death. When Pitt later uncovers the cause of the plague, he discovers that Maeve's father, Arthur Dorsett, and her two sisters are responsible because of their diamond-mining technology. A deadly race develops to stop Dorsett from continuing his murderous mining operations and to head off a disaster that will kill millions. Pitt's struggle to foil Dorsett's ruthless plan to destroy the market for diamonds and thus gain a monopoly of his own takes him from harrowing adventures off the west coast of Canada to being cast adrift in the Tasman Sea. A young man battles the odds to rescue a lost explorer on Canada's remote Labrador Peninsula in this "literate and exciting adventure story" (Kirkus Reviews). Radio operator James Ferguson was seriously wounded in a bombing mission during World War II. A piece of shrapnel buried in his spine, Ferguson was paralyzed, his brain damaged, and his voice silenced forever. But he never gave up fighting. For the rest of his life, Ferguson devoted himself to ham radio, tapping out messages to strangers in Canada, a passion no one in his family understood. But when he dies without ever connecting to his son, Ian, his final message will change the boy's life forever. Beside the radio, Ian finds his father's last transmission: a distress call received from the isolated Labrador Peninsula, where the survivor of a lost expedition still cries out for rescue. The authorities dismiss the story as impossible, so Ian must journey to Labrador himself. In the endless frozen landscape, he will risk his life to save another—and prove his father right. To research The Land God Gave to Cain, author Hammond Innes trekked across rough country, hearing the stories of the men who risked their lives to tame the exotic land. Innes was a master at weaving research, landscape, and heart-pounding action into some of the greatest thrillers of all time.

Oceanic explorers Dirk Pitt and Al Giordino find intrigue, adventure, and peril while collecting clues to the mysterious treasure of Xanadu, the famed capital of Kublai Khan's empire. When Dirk Pitt is nearly killed rescuing an oil survey team from a freak wave on Russia's Lake Baikal, it appears a simple act of nature. But when the survey team is abducted and Pitt's research vessel nearly sunk, it becomes clear this is no run of bad luck, but the influence of something, or someone, more sinister. In fact, Pitt and the NUMA crew have inadvertently stepped between a Mongolian tycoon and his plans to corner the global oil market, beginning with covert negotiations in China. To ensure the deal goes through, this mysterious businessman will encourage ever-escalating acts of sabotage and violence. Pitt and Giordino soon learn the magnate's fury and his power both stem from the same source: a dark secret about Genghis Khan, the greatest conqueror the world has ever known. To Pitt and Giordino the famed Khan's empire is nearly the stuff of legend and his tomb a forgotten mystery. But the Khan's legacy is very real. And it's the treasure of his grandson Kublai Khan that holds the key to stopping this modern-day oil baron from restoring the conquests of his ancestors. That is, if Pitt and Giordino get there first...

Clive Cussler, author of over twenty consecutive New York Times bestsellers, brings back beloved hero Dirk Pitt in this electrifying, edge-of-your-seat thriller.
