The mission of our company, Archon Systems, is to build software that helps small businesses. We are passionate about creating wonderful software and building a great company!

LINKING THE TRANSMITTER The transmitter included with your Archon is linked at the factory so no action needs to be taken when you unbox your Archon. If the transmitter is ever replaced or the transmitter is no longer linked to the Archon for any reason, the transmitter can be linked to

the Archon with the following procedure:
Turn off the transmitter and unplug the battery to the Archon.
