Playing poker is fun but you'll have to be very cautious. If you practice bad habits, there is a risk

that you're going to lose a lot of money. To ensure your success, you need to go above and beyond to avoid potentially bad habits. The good news is that you can offset this problem by identifying and eliminating all bad habits.

5 Bad Habits That Make Poker Players Lose Money ...

Winning isn't about shouting from the rooftops so you can bottle some attention. Winning is about getting lost in the work you do, quietly. Quiet winners change the world in tiny ways you may never have seen before. Look beyond the deafening noise for the people in the corner reading a book and not saying a word. They might surprise you.

8 Habits of Quiet Winners | Tim Denning

The answer is that you can predict the player with the best chance of winning the hand based on which player starts with the best hand. A player with an ace and a jack has a much better chance to win than a player with an 8 and a 10. Or a player with king-queen has a better chance to win than a player with queen-jack.
